Beverly Soeltz - Finance

February 1947 – February 2017

Beverly Ann (Lindsay) Soeltz passed away after a 14-month battle with Lymphoma. Beverly and her family moved to Anaheim, CA in 1957. In 1967, Beverly met Larry Soeltz, a marine from Michigan who was stationed at Camp Pendleton. They were married November 18, 1967, and just recently celebrated their 50th anniversary. Larry and Beverly bought a house in Anaheim where they raised their only son Scott. She worked at the Hunt Wesson Company, remaining with the company until her retirement in 2007. Still happily living in their "starter house" Larry and Beverly enjoyed spending time together, traveling, and taking care of their three grandsons. Beverly was strong

and humble, and loved her family deeply.

Irwin Anderson - Refinery Operations

August 1942 - September 2017

Our thanks to Bill Welker for letting us know about Irwin's passing.

Gary Stetzel - Legal

1937 - November 2017

Gary passed away peacefully at his home in Santa Rosa on November 1, 2017, after a long battle with Parkinson's disease. After his family moved to Denver, Gary began working his way through college and law school. Gary obtained his JD from Loyola University School of Law in Los Angeles (in the top 10%). He also did undergraduate work at the University of Denver, University of Colorado, and California State University at Fullerton, where he received his BA in Anthropology. He practiced law

for 30 years, first in private practice and then as corporate counsel. He retired in 1993 from corporate legal practice with Hunt-Wesson, Inc. (now part of ConAgra). Gary was an enthusiastic world traveler who loved learning about other cultures. He loved learning for the sake of learning and immersed himself in the study of whatever caught his attention, from learning a foreign language to learning about different religions to learning to play golf. Gary had an amazing service record as a volunteer and board member of a variety of non-profit organizations, too numerous to list here.
